

GADAR
PROMOTIONS

Partnership Agreement

What GADAR can do

Personalized Webstore

We build and manage personalized Shopify web stores to sell your products

Large Variety of Products

We carry and decorate a large number of products from a range of suppliers

On-site Event Display

We are fully equipped to set up and sell your merchandise at your events

You Choose the Products

You get full control on which products are available in your online store

In-house Designers

Our in-house designers ensure quality graphics, product design, and creation

Fully Staffed

We have a full staff ready to handle any sales, design, or production needs

Quality Guaranteed

We make sure everything is done to the highest quality every step of the way

Packing & Shipping

We pack and ship the products to your organization or directly to the customer

Strategic Planning

We create the best promotional product plans to ensure your needs are met

Make Money Back

You receive money back based on total sales made

Secure & Risk Free

Payments are secure and we take on all of the risk, making things easy for you!

How the process works

Once you start working with GADAR, the process of creating your webstore is quick and easy!

1. Contact Our Specialists

We'll discuss your vision and the theme you want for your customized online store.

2. Choose Your Products

Choose which products will be available for purchase from our extensive supplier partners.

3. Choose Your Artwork

Design all products which will best define your brand.

4. Upload Items to Store

Once the decisions are made, we'll upload all products to your customized store.

5. Order Process

Consumer orders directly from the web store platform. All orders processed by Gadar staff

6. Packing & Shipping

We produce, warehouse, and ship the products to your organization or employee.

On location services we provide

Graphic designers and web store developers

Decoration exclusively for our partners includes:

Screen Printing

Digital Printing

Embroidery

Heat Press

Direct to Garment

Sewing

Most importantly
GADAR will ensure
the consistency of
all decoration
adheres to your
branding guidelines.
